[RoyalBasketTrucks.com](http://RoyalBasketTrucks.com) canvas, vinyl & poly trucks are found in hospitals, laundry & dry cleaners, construction sites, hotels & motels, retail stores for product display & storage, commercial buildings, libraries, locker rooms, mail rooms, distribution centers, factories, textile & garment plants, people's basements & garages, or anywhere where bulk materials are moved or stored.

These heavy duty basket trucks & hampers have a full steel frame mounted to a flat steel reinforced northern kiln dried hardwood base and 4 extra heavy duty polyolefin casters. Basket trucks are available with a sewn-on permanent liners, or removable liners that are laced to the top of the steel frame. Canvas trucks come in standard white while our vinyl trucks are available in multiple colors: including **Blue, Red, Green, Yellow, Brown, Tan, Grey, White and Black**. Our on-line pricing includes 4 Swivel Casters (2 swivel with 2 rigid casters is optional.) Upgraded caster arrangements and stenciling available upon request.

Founded in 1981, Royal Basket Truck Company focuses on the basics of manufacturing a high quality product with solid customer service support. With lean manufacturing techniques and a "manufacture-to-order" structure [RoyalBasketTrucks.com](http://RoyalBasketTrucks.com) is able to offer the widest range of colors and sizes in the industry with an average shipping time of 3 to 5 business days. Depending on the size of the order, we ship both UPS and common carrier depending upon which is most cost effective for our customers.

We are very competitively priced and all Royal basket trucks are still proudly **100% made in the USA!**
